Music Copyright Compliance

All copyright permissions must be properly and completely obtained by the individual or group that is responsible for creating the routine music for a team. All recordings mixed together in cheer/dance routines should be properly licensed and written confirmation of such licenses should be provided to your state association, if requested. You should bring a copy of such licenses and receipts to the New England Spirit/Dance Championship, in addition to the signed Music Copyright Compliance Form, if further verification is requested.

You may use recordings that are purchased from vendors that comply with US Copyright laws or create/commission original works for your team (i.e. an original song and recording to which you own or license the rights by written agreement). Under US Copyright law, no teams are permitted to create a re-mix, mash-up or medley without proper written authorization from the copyright owners.

US Copyright laws apply any time music is not being used for personal use. Purchasing a legal copy of a song (iTunes, CD, Amazon download, etc.) only grants the user private, personal use of the music. If you purchase a recording, that alone does not give you the right to make additional copies or mix the recording with other recordings for any other purpose--including use at school functions or other public performances. Personal use gives you the right to listen to the song, but does not give you any other rights in the bundle of rights to that piece of music, which is why the music should not be copied, modified or used in a public place without additional consent.

However, if teams wish to use only a single song in their routine, they may bring a legally purchased copy of that recording to be used at the event. Teams may not re-mix these recordings in any way (such as adding sound effects, changing tempo or mixing with any other recordings), but you may make minor edits for timing purposes only (i.e. removing a chorus or bridge to fit the duration of the music time limit).

Remember:

- Do not use mash-ups, either created by you or sold by music providers using music without proper licensing.
- Do not download songs from sites that do not have properly licensed music.
- Do not copy or distribute to others a recording you have legally purchased.
- Licenses/Permissions must be received in writing (or email) and must be provided to you by all copyright owners.
- If you request a license and you get no response, this does NOT mean that you have permission to use the music.

Coaches are responsible for ensuring that the music used by their teams for any public performance and all competitions follows the above guidelines.

Guidelines for Music Providers:

- When recordings and compositions are completely original:
 - All elements in the recordings, including instrumentation and vocal performances, are owned or controlled by the music provider. If any elements are not owned or controlled by the music provider, the music provider must obtain the appropriate licenses from the applicable
 - copyright owners to edit, re-arrange or otherwise alter such works to create a new work for your team.
 - If teams want to create their own re-mix or otherwise edit any music purchased from a provider of original music, their license agreement with such providers of original music must also specifically include this right to edit, re-arrange or otherwise alter works.
- When recordings are cover recordings of popular music:
 - Guidelines provide that cover recordings of popular music may be used in re-mixes only if the purchase/license of the cover recording includes an explicit right to alter the cover recordings and create new works from these cover recording elements.
- Unlicensed samples may not be used in routine music.
 - No unauthorized third party recordings may be used in any way in the new recordings without a proper license. "Sampling" a series of words or beats from any recording is not permitted unless an appropriate written sampling license was obtained.
- Music providers should allow each team to make up to 40 copies of the recordings.
 - A mechanical license fee may need to be paid to reproduce copyrighted musical compositions on CDs, records, downloads, etc. If the music provider does not own or control the underlying musical composition, they will need to obtain a mechanical license to make copies of each recording. The music provider is responsible for obtaining the mechanical license and paying any royalties for each copy made--this includes the copy provided upon your initial purchase of the recording, any subsequent recordings in which they are incorporated, and any additional copies that will be distributed to the team.

TOURNAMENT GUIDELINES

The facility will open for athletes and coaches at 10:00 AM. Each team will be allowed warm-up time per performance (4 minutes).

NEW ENGLAND DANCE CHAMPIONSHIP GUIDELINES

- A. Note: Since the states from New England that will be participating in this event all use different guidelines pertaining to their State Tournaments, the decision has been made to follow the guidelines that have been set by the National Federation of High School amended rules (*amended/approved, for 2023*). These rules are provided in this packet and should be followed accordingly. It is the advisor/coach's responsibility to become familiar with this rule book – reading it from front to back – as any portion that refers to a “participant” also refers to a “dancer.” A safety/quality judge will be in attendance the day of the event, and teams that will be participating, may contact this person in advance (Nikki Sao Pedro-Welch - nsaopedr@endicott.edu), with any questions regarding rules, moves, etc, that advisers/coaches feel are questionable. During the competition, the safety/quality judge will make sure judging is accurate and consistent. Any inquiries about scoring at the end of the competition can be brought to **this judge only**.
- B. Each squad will PERFORM A ROUTINE NOT TO EXCEED 2:30 MINUTES – there is no MINIMUM time. Teams that perform for more than the allotted time, will have points deducted. The time of performance for each team will start when the music begins, or at the first movement (after taking the floor) and will stop when the music ends. Formal entrances and exits are not allowed.
- C. Each team will be allowed 4 minutes of warm-up time per routine. Teams will be allowed to perform in 2 Divisions, but a separate entry fee of \$150 (for 1 performance – and an additional \$75 for 2 performances) must accompany their registration.
- D. A disc jockey will be provided at the site.
- E. Three performance judges will score each team. Separate judging panels will be used for alternating divisions. A safety/quality judge will oversee both panels and handle questions regarding rules and penalties. Technical difficulties will be adjudicated by the tournament director/committee.
- F. See attached sheet for specific routine rules and guidelines. **NO BARE FEET or SPIKED HEELS.** “Participants must wear dance and/or athletic shoes on both feet during the competition. **DANCE PAWS** or similar style “turning shoe” is acceptable. Shoes with wheels are not acceptable. (EX: roller skates, roller blades, heeleys, etc.) Wearing socks and/or footed tights only are not allowed.
- G. **PROPS: “Hard Props”** are allowed if they do not exceed 3 feet in length and width. Dancers must be able to carry these props on and off the performance surface. **“Soft Props”** will be considered as part of costuming however if item(s) are discarded, they must be discarded with control and cannot be used again. Also, dancer(s) cannot step on discarded soft props for it will result in penalty. **Hard Props** examples include; stools, prop boxes, and anything that can hold a dancers' weight safely. **Soft Props** examples include; scarfs, hats, jackets, bandanas, etc.

- H. **Poms:** Poms must be used in the Pom Division. If dancer(s) are executing aerials, poms must be placed in one hand so that free hand can be available for safety. **If dancer(s) puts hand with poms down during this skill, a penalty will be given.* For dance lifts, poms must be put down in order for lifts to be executed. If hands-free poms are being used, they must be held properly with bar over top of hand and firm thick elastic over palm of hand. "Hair ties," and "self-made" hand-free poms are prohibited. There are no exceptions to this rule.
- I. The Dance Committee will determine the "order of performance" for the Championship prior to the competition and will notify the participating schools. Teams that will be performing at New England Championship will be those teams that have been designated by their State as being the top winners of in each division of their individual tournaments. These students must be verified as being "students in good standing" and be on a Varsity level dance team.
- J. Competing schools must provide their own transportation at their expense.
- K. A warm-up area will be provided at the competition site for teams prior to the start of the competition. Each team will be allotted 4 minutes of warm-up time per division.
- L. Only restroom facilities will be available at the site.
- M. An athletic trainer will be on site at the competition to attend to any emergency needs of the competitors. **For non-emergency taping, schools must supply their own tape.**
- N. Dance Team Advisor/Coaches are expected to maintain discipline among the competitors and make certain that good sportsmanship prevails in both winning and defeat. Schools will be held liable for the actions of their competitors, which may include, but is not limited to, property damage or assault. **LEAVE ALL VALUABLES AT HOME.** The competition site is not responsible for any lost/stolen items. Coaches should carry a bag to hold any needed items such as cell phones, cameras, etc.
- O. Score sheets will be presented to each coach/advisor at the conclusion of the competition. Also available to coaches will be an order of finish and point totals for their division.
